

AN IMPORTANT MESSAGE FROM THE WEB MASTER.

This web site, domain, hosting , (www.stfranciswindsor.com) and all that was required to make it a reality are donated with Passion, and Love to our Church and the Croatian Community. All future Maintenance, input, site changes, advertising needs, and special requirements will be maintained at no cost to our community by the Web Master for as long as he is able.

Please help Father Ljubo, and myself to make this a success that we can all be proud of. The intent was to make this an easy site for anyone to visit, and navigate, with so much Croatian, Catholic information, and so many links. **It's easy, click, and enjoy.** If you don't know how to work with a computer, call me and I will help you get started. Don't be afraid ...It's EASY!! ([Even in Croatian.\(click here\)](#)) 😊

Note: After speaking to Fr. Ljubo, it is agreed that, All Advertising funds will go into a Special **Technology Fund** that will insure this Web Site and all Future requirements (for the next Web Master,) for equipment, software, graphic design, tools, bandwidth, internet hosting costs, databases, or any other future technology our Parish may need etc etc. and will insure that our Croatian Community in Windsor, their children, grand children , family, will always have a voice, be heard, and continue to be proud of their Croatian Heritage in perpetuity. (There should never be a reason in the future to say "we have to eliminate our Croatian Web Site because we have to money to maintain it.) **It's up to us today,** to make sure that doesn't happen.t

Isn't that the right thing to do, for our next generation?

I respectfully ask that you support this initiative by making this your **Home Page**, and advertise whenever possible, even if it's to send a personal message to your spouse, children, friends, neighbors, family etc. What's wrong with saying "I love You, or I'm thinking of you"

It's not a lot of money, and it's for a fantastic cause for our kids in the future. **Remember, this is Non Profit**

If you navigate the site you will see there are many interesting links, and information. This will continue to be a work in progress, and I ask all parishioners, if they have any suggestions or ideas, to please contact me.

If you want to help, or contribute in any way, Please call me. I need all the help I can get. We might even consider starting a blog area for opinions and ideas from the parishioners. 😊

Thank You for your support! A special thanks to Father Ljubo, and many others who silently work in the background to promote our faith, and our Future. Note: All content, or future articles etc must first be presented to, and approved by father Ljubo, before it can be posted on line.
